No. 302. Read the following Proceedings of the Board of Revenue, dated 22nd June 1876, No. 1,612:—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 9th June 1876, No. 269.

THE Shrotriem village of Mangad in the Arcot Taluq was attached for arrears of Jodi under the orders of the Board of Revenue, dated 5th December 1871, Miscellaneous No. 4,433, and the estate still continues to be under Government management, as the arrears have not been fully liquidated. I have the honor to forward herewith a statement showing the present state of arrears and other particulars connected with the management of the village, from which it will be seen that, up to the end of Fasli 1284, there is an outstanding balance of Rupees 2,125-7-2 against the village. It will also be seen from the above statement that the average annual income of the village may roughly be estimated at Rupees 1,500, while the Jodi, &c., due to Government will not exceed Rupees 1,100. A sum of Rupees 400 is therefore available annually to the credit of old arrears.

2. Originally, there were five Inamdars registered for the village, of whom three having since died, one being succeeded by his heir, so that there are at present

1. Vazeer Bee.
2. Gulam Modhideen.
3. Gulam Daveed.

the marginally-named three Inamdars.

The Sub-Collector has recently passed orders (which will take effect at the expi-

ration of the time specified in the usual Notification) to register Kareem Beebee and her son Mahomed Hussain, who represent another of the deceased original Inamdars. These so-called Shrotriendars have, since the attachment of the village, become paupers and they are now in great want, so much so that one of them has lately taken service under Messrs. Corbett and Morison, Abkari Renters, as a peon in the Ranipett Distillery. The condition of these people is so pitiful that I venture to propose for the favorable consideration and orders of the Board of Revenue that such of them as actually deserve help be paid a maintenance allowance of Rupees 5 each per mensem so long as the village remains under attachment, the remainder of the income being credited towards the liquidation of old arrears. I know that Section 34 of Act II of 1864 does not provide for charges of the kind out of the proceeds of attached villages. It is more from humanity than as a matter of law or right that the concession should be granted. I request the early orders of the Board on this matter.
