Read the following letters:—

No. 306. From C. J. LYALL, Esq. Under-Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Forests,) to the Hon. D. F. CARMICHAEL, Secretary to the Government of Madras, Revenue Department, dated Simla, 13th June 1876, No. 515.

I AM directed to acknowledge the receipt of your letter, No. 308, dated the 3rd March last, requesting sanction to the revised scale of establishments proposed for the Office of the Conservator of Forests in Madras; and to inform you that a further communication will be addressed to you on this subject, as well as in regard to the personal allowances recommended to be granted to the Uncovenanted Assistant in charge of the Office of Accounts, to the Head Clerk of the North Coimbatore Range, the Clerk at the Calicut Depôt, and to the two Foresters at Madura and the Nilgiris.

2. It has, however, been recommended that Clerks and office-servants of the Correspondence Branch of the Conservator's Office when at Ootacamund should be allowed to draw Rs. 25 per cent. on their salaries on account of the increased cost of living, house-rent, &c., on the Hills, and that members of the Wynaad Establishment in the Malabar District should be allowed the usual extra allowances granted to the employés of all other departments, which are rendered imperative by the additional cost of living and clothing in that unhealthy climate.

3. On this subject, I am directed to request that you will, with the permission of His Grace the Governor in Council, be good enough to favor the Government of India with more definite proposals than those contained in your letter, and that the establishments at Ootacamund and Wynaad, to whom the additional allowances are proposed to be given, may be stated in detail, with clear information respecting the probable cost per annum of these allowances.

——

REFERRED to the Conservator of Forests for early report on paragraph 3 of the letter from the Government of India. It is observed that G.O., 3rd March 1876, No. 307, fixed the Wynaad allowance at 3-10ths of the pay.

Secretary to Government.
