BELLARY,
10th June 1876.

(Signed) J. A. DAVIES,
Head Assistant Collector.

Proceedings of the Madras Government, Revenue Department,
30th June 1876.

ENCLOSURE No. 1.

From J. A. DAVIES, Esq., Head Assistant Collector, to the Collector of Bellary, dated Pennakondah, 7th June 1876, No. 143.

With reference to your endorsement on Board's Proceedings passed on your letter, No. 158, of 20th ultimo, I have the honor to report that on the night of the 1st instant there was a heavy shower of rain (inch 1-6 $\frac{1}{2}$) in Pennakondah and surrounding villages. I have, in consequence, stopped most of the well-works I proposed, and am going on with road-work; more rain may be expected shortly as the monsoon seems to be setting in. In that case all the works can be put a stop to in a month or so, by which time the laboring classes will find ample other works, and will not stand in need of any aid on the part of the Government.

SUBMITTED for the information of Government.

2. The Board are glad to learn that there is an early prospect of the cessation of the necessity for expenditure on relief works.
