SUBMITTED for the orders of Government.

2. In their Order, dated 23rd September 1874, No. 1,205, the Government decided that the payments made to the Veterinary Surgeon employed as Inspector of Cattle Diseases should be met from the Surplus Cattle Pound Fund. The Accountant-General states that the payments made to that officer in 1875-76 up to January amounted to Rupees 6,698-3-1, and inquires in what proportions the amount should be charged to the different districts under Surplus Pound Fund.

3. The Board observe that, at the end of each quarter, the Surplus Pound Fund collections are divided between the Government Farm and Local Funds,

and in most of the districts no balance is left. In 1875-76, the Surplus Pound collections transferred to Government Farms and Local Funds, respectively, amounted as shown in the margin, and of the sum transferred to Government Farms, Rupees 50,000 have to be credited to Local Funds under G.O., dated 16th October 1875, No. 2,049. Although the largest portion of the Surplus Pound collections in 1875-76 was thus credited to Local Funds, the Board consider that the payments made to the Inspector of Cattle Diseases should be debited to Government Farms, as the funds to credit can well bear the charge. The Board accordingly recommend the adoption of this course, and request the sanction of Government for the arrangement.

Transferred to Government Farms	Rs. 59,870
Do. to Local Funds	57,544
To other purposes	4,231
Total	1,21,645

The transactions of two districts for the last quarter are not included in the above figures, the returns from them not having been yet received.
