No. 54. Read the following letter from A. O. HUME, Esq., C.B., Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Customs and Salt,) to the Hon. D. F. CARMICHAEL, Secretary to the Government of Madras, Revenue Department, dated Simla, 23rd June 1876, No. 151:—

In continuation of my letter, No. 121, dated the 24th ultimo, and with reference to the correspondence forwarded with your letter, No. 620, dated the 15th idem, I am directed to state that the course of procedure which it appears to the Government of India should be observed in the matter of the adjustment of the duty on salt supplied from Bombay under contract to the west coast districts of the Madras Presidency is as follows.

2. The Collectors of Malabar and South Canara should furnish the contractors with certificates showing the quantities of salt that they are authorised to procure, and send copies of these to the Collector of Salt Revenue at Bombay.

3. The Collectors aforesaid should take security from the contractors for the payment of full duty on all excess of the quantities allowed by the Bombay Salt Department to be removed without payment of duty from the works by the contractors over the quantities actually delivered by the contractors to the said Collectors.

4. On presentation of any certificates as above to the Salt Collector at Bombay, he should, after verifying them with the copies received direct, permit the removal of salt without pre-payment of duty up to the amount of the certificate, recording the amount so removed on the face of the certificate and its duplicate, and notifying the issue of so much salt on the certificate (specifying its No. and date) to the Collector concerned. It will then be the duty of that Collector to certify at the earliest possible date, and not later than two months from the receipt of such intimation, that the whole said quantity has been delivered to him, or that such lesser quantity has been delivered, and that he has levied full duty on the deficiency; and it will be the duty of the Collector of Salt Revenue at Bombay to see that he regularly receives such certificates, and failing this to report the circumstances for needful inquiries.

5. Under the system above sketched out, the Government of India are of opinion that no fraud will be possible, and no transfer or remittance necessary, the duty being credited where it is realised.

6. I am to request that, should there be no objection to these proposals, the necessary instructions may, with the permission of His Grace the Governor in Council, be issued to carry them into effect in communication with the Government of Bombay, to whom a copy of this letter will be forwarded.
