*Proceedings of the Madras Government, Revenue Department,
10th July 1876.*

No. 93. Read the following Proceedings of the Board of Revenue, dated 28th June 1876, No. 1,652, Forest No. 57 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 27th May 1876, No. 232.

MR. T. SHEFFIELD, the Deputy Conservator of Forests of this district, has lately asked me whether he is entitled to any remuneration for the work performed by him in connection with the settlement of the forest boundary between this, the South Arcot, and Salem Districts, which he undertook and carried out in addition to his regular duty in a very unhealthy season of the year when there was much rain, and fever was very prevalent on the Hills to which the duty took him. Mr. Sheffield was thus occupied from the 10th November to the 3rd December 1874; and I am aware that, on their return from the Hills, he and every one who accompanied him thither were prostrated with jungle fever from which they suffered for a long time.

2. Mr. Sheffield also states that he was likewise engaged for about two months at different times in the settlement of the forest boundary between this and the Cuddapah District.

3. I am decidedly of opinion that Mr. Sheffield is entitled to some remuneration for all the extra trouble and labor which he cheerfully undertook at the risk of his own health; and I would earnestly recommend that the same indulgence be extended to Mr. Sheffield as was granted to Mr. Hayne, the Deputy Conservator of Forests of the Tinnevely District, for the work performed by him in connection with the settlement of the hill boundary line between Tinnevely and the Native State of Travancore (*vide* G.O., dated 22nd December 1875, No. 1,837, Revenue Department.)

SUBMITTED for the favorable consideration of Government.

2. The Board support the Collector's recommendation that for the period during which Mr. Sheffield was employed on duty connected with the settlement of boundaries he be permitted to draw the same allowance as that granted to Mr. Hayne in G.O., dated 22nd December 1875, No. 1,837, *viz.*, the difference between his ordinary travelling allowance and Rupees 10 per diem.
