ENCLOSURE No. I.

From T. E. THOMAS, Esq., Acting Superintendent of Police, to Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, Madras, dated Tanjore, 2nd June 1876, No. 139.

With reference to the accompanying copies of letters* from the Collector of Tanjore, and Memorandum, No. 2,509, of the 1st instant,

*Nos. 687 and 864 of the 29th April and 31st May 1875, respectively.

from Chief Office, I have the honor to request you will be good enough to sanction my employing one 4th-grade Head Constable and three Constables to guard the distillery at Tanjore therein referred to, and to my having that number over and above the present sanctioned strength of the district force, as I am already too short-handed in my reserve to spare men from it for any purpose.

From H. S. THOMAS, Esq., Collector of Tanjore, to T. E. THOMAS, Esq., Acting Superintendent of Police, Tanjore, dated Vullam, 29th April 1875, No. 687.

Under the excise system which is to come into operation in this district on 1st July next as regards the manufacture and sale of Arrack, a Deputy Constable's guard will be required for each distillery.

2. It remains yet to be ascertained whether the contractor wishes to have one or two distilleries. When this is ascertained, I will write to you again; meanwhile, I have the honor to request you will be good enough to arrange for two Deputy Constables' guards to be in readiness at the end of next month.

3. The sale advertisement, as you will observe, allows the distilleries to begin to work on 1st June next.

Your letter, No. 16, dated 19th instant.

2. The renters proposed to set up only one distillery at starting, and I have the honor to request you will be good enough to make up the Police guard, so that its aggregate cost, includ-

ing clothing, accoutrement, and contingencies may not exceed Rupees 45 per mensem. It is necessary to keep within this limit, because the maximum amount which the renters are bound to pay for Police guard and gauging establishment for each distillery is only Rupees 100 monthly, and this sum after deducting Rupees 45 for gauges, Rupees 6 for a Peon, and Rupees 4 for contingencies, leaves only Rupees 45 for the Police guard. In South Arcot, I see only four Constables are allowed for each of the two chief distilleries.

3. The place selected by the renters for the establishment of the distillery is Tanjore, and the day on which they are to begin distilling will be communicated to you as soon as it is known.

4. With reference to the latter part of your letter, I would observe that the cost for the guard is imperative and cannot, on any account, be avoided.

THE sanction of Government is requested for the proposed addition to the force, the present sanctioned strength being insufficient to admit of men being spared for the distillery guard. The cost will be covered by the Arrack Renter's contribution being within the sum of Rs. 45 per mensem stated by the Collector to be available.

2. With reference to the statement in the Arrack Renter's recent petition disposed of in G.O., dated 1st June 1876, No. 726, the Board observe that the Collector's letters, which form enclosures to the present reference, show that the option of establishing more than one distillery was offered to the contractor, and that the number was limited by his own desire.
