Forests

SIR,

In reply to your letter
No 2317 dated the 16th ultimo, I am
directed to inform you that no
special regulations or orders have
been issued by the Government
of India for the conservancy
of wood lands in the vicinity of
hill stations.

2. In some stations such as
Nainital and Sivula, the muni-
cipality own a piece of forest land
and as it may interest His Grace
the Governor in Council to read
a report containing proposals lately
made for the better management
of

of the Municipal Forests of Simla,
I am directed to forward a copy
of the Report for His Highness's perusal.
3. In Military Stationaria a
portion of forest land is frequently
included within the Cantonment
area, as at Ranikhet, Nainital
and Chakrata. In such cases
the nearest Forest Officer is generally
appointed a member of the
Cantonment Committee to assist
it with his advice in matters
of forest conservancy. As an example
of the arrangements made in
such cases, I am directed to for-
ward copy of a report on the
Working plan of the Deoban
forests, and to invite attention
to paragraphs 8 to 16 which
relate to the forests within the
limits of the Chakrata Cantonment.

4. I am directed to state
that in the vicinity of many
stations, such as Daryelling,
Nainital, Ranikhet, Chakrata
&c., Forest Officers have been
formed and are demarcated;
and, like other State Forests,
are under the Officers of
the Forest Department under the
orders of the Government.
The Hon. Secy.
Sir,
most obediently,
