*Proceedings of the Madras Government, Revenue Department,
17th July 1876.*

No. 166. Read the following Proceedings of the Board of Revenue, dated 6th July 1876, Miscellaneous No. 5,687:—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board:—
nue, dated Sydapet, 13th May 1876, No. 250.

WITH reference to the Board's Objection Statement, No. 591, of the 21st of April last, I have the honor to state first, as regards the Lascar, that I understood from paragraph 2 of Board's Proceedings, Miscellaneous No. 1,931, of the 3rd March 1876, that the terms upon which he was engaged, mentioned in my letter, No. 75, dated the 14th of February 1876, were approved; and as regards the other objection, I was under the impression that it was the usual practice to allow 2 Annas batta per day to Peons when employed beyond the limits of their own district.

2. I would invite attention to the fact that the two men referred to in this letter travelled over a wide extent of country at a time when food was unusually dear; also to the fact that the rates allowed to Peons travelling in bodies of four or five with a Collector or other officer would be altogether inadequate to meet the extra expenditure incurred when a Peon travels either alone or with another Peon through a strange country.

3. I allowed my domestic servants a batta of 2 Annas per day during my tour, and do not think it was anything more than they could justly claim.

4. Should the Board be unable to pass the batta as paid by me, I have the honor to request that they will be good enough to allow me to raise the pay of both men to Rs. 8 per mensem from the beginning of my tour.

SUBMITTED for the favorable consideration of Government, with the Board's recommendation that batta at the rate of 2 Annas a-day to the Peon and the Lascar who accompany Mr. Robertson on tour be sanctioned as a special case.
