*Proceedings of the Madras Government, Revenue Department,
18th July 1876.*

No. 176. Read the following letter from Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Mettapolliem, 12th July 1876, No. 945 :—

- In forwarding the documents as per margin, I have the honor to inform you that as the case is emergent and probably admits of no delay, I have authorised Mr. Peet to defend the suits in question, and request therefore that Government will sanction my having done so.
1. Letter from the Deputy Conservator of Wynad Forests, No. 89, dated 29th June 1876.
 2. Duplicate copy of Notice from the Judicial Assistant Commissioner, Mysore.
 3. Duplicate copy of Summons issued by the Judicial Assistant Commissioner, Mysore.

No. 177.

ORDER THEREON, 18th July 1876, No. 964.

Forests, No. 9.

THE Government observe that the cases should have been fully reported *early enough* to allow of the orders of

Government being received before the defence is put in. They should be made aware of the facts of cases before authorising their defence by officers of Government. To this end, it seems desirable that the Conservator of Forests should follow the course prescribed for Collectors in Standing Circular No. 295 in regard to suits brought against forest officers, the report, in each case, being made to Government instead of to the Board of Revenue, as required by the Circular.

2. In regard to the suits now reported, the Government are of opinion that No. 1 can be defended in the manner set forth in the Deputy Conservator's letter if the facts, as stated, are substantially correct; but that sanction to defend No. 2 cannot be given until the details of the case are reported upon and found to be such as to warrant such sanction. It is observed that notice in Suit No. 1 was issued in March 1876, and the Summons in No. 2 on the 15th June ultimo, and yet the report to Government on both cases has only been just submitted. The cause of delay will be reported.

3. The result of the suit reported in the Conservator's letter recorded in G.O., 29th April 1876, No. 558, should be intimated to Government as soon as known.
