*Proceedings of the Madras Government, Revenue Department,
18th July 1876.*

No. 196. Read the following Proceedings of the Board of Revenue, dated 8th July 1876, No. 1,744 :—

Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 8th June 1876, No. 2,705 :—

WITH reference to Proceedings of the Board of Revenue, No. 1,062, dated 21st April 1876, I have the honor to state that no compensation in lieu of lodging has ever yet been granted to the Police; consequently no rates have been fixed. Taking the compensation at 12 Annas per mensem to Head Constables and 8 Annas per mensem to Constables employed in the plains, and 2 Rupees each per mensem to the Police employed at Ootacamund, the total annual cost per distilleries at out-stations would be about Rupees 400.

G.O., No. 462, dated 24th February 1874, 2. The rates approved by Government for the erection of Police huts are—

but as the distilleries are said not to be permanent, it is probable that comfortable temporary huts could be provided at a comparatively trifling cost. Owing to the continuous nature of the duty falling on the Police employed at distilleries, it is important that the huts should be situated, if possible, close to the distillery building, and under this view the provision of huts will be preferable to the grant of compensation.

3. The exact numbers of men employed at distilleries at out-stations will be ascertained and forwarded to the Board. The Distillery Police at Ootacamund must be included, as this is in no sense a head-quarter station, and accommodation is scarce and expensive.

SUBMITTED for the orders of Government with reference to G.O., dated 4th April 1876, No. 468.

2. The Inspector-General of Police is in favor of hutting the Police guards employed at distilleries. The charge must be debited to Abkari.
