From J. H. Price Esqre Actg Collector

of Cuddapah

To

The Honorable D.F. Carmichael

Chief Secretary to Government

Madras.

Sir

1 — I have the honor to return the petition which accompanied the Proceedings of Govt Political Department dt 96 dated 15th February last and to submit the following report —

2 — Mallaradi the individual mentioned in the petition, is the head of wealthy and influential family in this District. The statement made regarding the positions held by his ancestors are correct. What was the precise value placed upon their services or what were their qualifications there is nothing upon record to show. It may however be fairly concluded that they were either Good officers or that they possessed great influence —

3 — Mallaradi is a clerk in my office on Rs 15 per mensem. His age is 33. He is wealthy, paying a rental of some Rs 500 per annum

to Government for the lands held by him.
He is but slightly acquainted with English.
He is said to be a good accountant and
has the reputation of being well up in all
practical Revenue work. He knows nothing
of criminal business. The bar to his promotion
has been that he has not passed even the
General Test Examination. Why he did not
is not known. He was for some time a
pupil in the Zillah school. He native like
puts it down to "his misfortune". His cha-
racter and conduct have always been good,
and he has much influence in the District.

4 — I have made enquiries in different
quarters, and have also had a personal
interview with him. My opinion is that,
presuming that any concession was made
in his favor, he is not fit to be a Tahsildar.
In the old days, when the people were not so
sharp as they now are, the criminal law
was less complicated than it is at present and
Vakeels were almost if not quite unknown
outside of the precincts of the Provincial or
District courts, he might have made a very
good Head of a Taluk, such as the present
times he could never be a success or any
thing like it.

5 — As a "Treasurer" or Taluk Clerk he
he could probably do well enough.

6 — I regret the delay which has occurred
in making this report. I have had some
other work connected with the famine to
distract my attention, that I must have escaped
my memory —

and therein Mallandy is recommended as
a suitable person for the post of Treasurer
& Sub Registrar. To this no reply has
been received.

3. Mallandy has served 12 years.
He belongs to a good and wealthy Kapu
family and is Resident of a village near
Cuddapah. His great grandfather, grandfather
and father were Subahdars. In the enclosed
Extract from the letter of a Collector dated 1810
the great grandfather and grandfather of Malla-
-reddi are referred to, the one as having
given great satisfaction as a Subahdar &
Col. Munro and the other is mentioned
as having been well thought of by Col Munro.

4. Mallandy has passed no Exa-
-minations owing chiefly to his want of a
sufficient knowledge of English. He
knows a little English. He managed to
pass in the Vernacular in Grammar and
Composition, History and Land-surveying in the
General Test but failed in the remaining sub.
-jects. He is an intelligent man, a good
accountant and Vernacular Clerk and knows a
little Arithmetic. These qualifications added
to his knowledge of the people will render him
-able as a Treasurer

5. The Treasurer in Cuddapah with
-drew towards the end of the year and Munish
-appointed Mallandy to the vacancy.
