The Secretary to Government
Revenue Department.

SIR,

Referring to G. O. No. 1409 dated 7th June 1870, I have the honour to state that official notices have occasionally been inserted by this Department in District Gazettes and in the Fort Saint George Gazette, and that no charge has hitherto been made on that account. If a demand were made, expenditure of this nature would be debited against the Contingent allowance. The number of such advertisements inserted during the year is quite insignificant.

I am of opinion that some advantage would accrue if the Superintendent of the Revenue Survey were permitted to expend a small sum annually in advertising maps for sale in the Presidency Newspapers. Probably Rupees 200 would not be an excessive amount to expend in this manner.

I

I have the honour to be

Your most obed. Servant
