No. 2693. 926/2

From The Postmaster General

Dated 20 May 1878

FOR ORDERS.

This relates to the old building behind the Commissioner's Office at Ootacamund - lately vacated by the Post Office and which Mr Barlow wishes to have to annex to accommodate the Registrar & municipal Office.

Mr Turner reports that the building was made over for the exclusive use of the Post Office in 1860. He does not make any remarks on Mr Barlow's proposal as desired, but he has called at the Office specially

It is a Public building, & no longer used by the Police Dept - Supdt. Simply reports the Public Dept - Supt. - from whom the premises were taken over, told Mr. Barlow he has to deal with it - he pays the Rent - pays & Provides Accommodation for the Postal Service

& ask that his Department may not be deprived of the rent of the building because it was only on condition that he c[ould] let it, and so deprive part of the rent of the present Post Office building, that he was permitted to make the change.

Mr Barlow suggests that it should be routed if necessary & as there is no reason why the Registration and Municipal Do

I've assigned this building in 1865 for the exclusive use of the P.O. Dept. but if they can route it and use it elsewhere & not require it, & so inform me that the P.O. is put before the P.M.G. is put before it as the place. I certainly do not want it for any public purposes.

I do not ask Mr. Fraser this directly but to communicate these views to the Commissioner of Public Works & the present P.O. [illegible]

The Municipality is entitled to the use of the building at public expense but the Registration Dept is to. Then any money claim from the quarters first & the surplus [illegible] is credited

I Examined Rent Roll & our rights. I saw Mr Post about this. He will see Mr Fraser & the P.O. & the building is assigned before Post Office.

-partments should be housed at Govt expense perhaps he may be permitted to arrange accordingly with the Postal Dept.

It appears that the building was only given over for the use & will be for the purposes of the Post Office under "Statute" The Registrar will only have that they want the building for use without any
