REVENUE DEPARTMENT.

24th June 1878, No. 951.

Read the following paper:—

No. 273. Proceedings of the Board of Revenue, dated 20th June 1877, Miscellaneous No. 8,904.

Read again Board's Proceedings, dated 14th May 1877, Miscellaneous No. 7,005.

Read also the following letter from A. McC. WEBSTER, Esq., Acting Commissioner of the Nilgiris, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 4th June 1877, No. 51:—

With reference to Board's Proceedings, Miscellaneous No. 7,005, of 14th May 1877, calling upon me to explain the cause of the difference in extent noticed between the grant to Mr. Hall and that sanctioned by Government in their Proceedings, No. 1,547, of 29th October 1875, I have the honor to report that Mr. Hall's application was for the piece shown in the plan attached to the permanent puttah under reference. The boundaries given by the applicant are as follow:—

West.—By my garden.

North.—By the old cattle-path leading through the plantation.

East.—By plantation itself.

South.—By the old forest road.

Mr. Hall's estimate of the ground is one acre, which appears to have been accepted by the Commissioner.

The Forest Department cleared the land indicated by the applicant and situated within the boundaries given. The survey shows the extent to be 4.70 acres and not one acre as estimated.

The permanent puttah received with the foregoing letter will be submitted for the seal of Government, with reference to G.O., 29th October 1875, No. 1,547. The land included in this puttah was originally estimated to be one acre in extent, but the survey shows it to be acres 4.70.
