GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

24th June 1878, No. 960.

Read the following paper :—

No. 290. From A. O. HUME, Esq., C.B., Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Land Revenue and Settlement,) to C. G. MASTER, Esq., Secretary to the Government of Madras, Revenue Department, dated Simla, 12th June 1878, No. 352.

In continuation of my telegram of the 10th instant, sanctioning a further loan of two lakhs of rupees for the Ramnad Estate, I am directed to state that the debts of the estate should, in the opinion of the Government of India, be classified as follows :—

I.—Arrears of Revenue.

II.—Money advanced for repairs and improvements.

III.—Money advanced to repay debts due by the late Zemindar.

2. Item No. 1 should be the first cleared, as the minor on coming of age will not be responsible for any arrears which accrued during the administration of the estate by the Court of Wards.

3. The second item should be the next to be cleared, as though probably the money advanced could be recovered, and a mortgage made to secure it by the manager under the authority of the Court of Wards would be binding on the minor when he comes of age, still it appears possible that difficulties might occur in realising the amount when the minor reaches his majority.

4. As regards the money advanced on mortgage for the liquidation of debts there appears to be no doubt that if any portion of it remains unpaid when the minor comes of age, there will arise no difficulty in its realisation thereafter.

5. I am accordingly to request that, with the permission of His Grace the Governor in Council, the necessary instructions may be issued in view to the liabilities of the estate being kept distinct under the three heads above specified.
