Memo for Order

On letter from Chief Engineer for Irrigation
submitting atlas sheet showing the
approximate contour of the proposed
Kishnagerry reservoir.

1. The Map received with this paper has been marked as directed in G. O. of May 1878.
2. The contour as sketched shows that at least 16 Village sites would be submerged. Should the papers be now forwarded to the Revenue Board for the purpose of obtaining the "rough calculation of the amount of Compensation involved" as proposed in the G. O. quoted.
