Sir

I have the honor to enclose an application from Major Bagnes Assistant Supdt. Kerr Survey for fifteen days privilege leave.

His Officer has represented himself as Attenuated in consequence of the Sanction of Government to a Visit to Malwa & personal application to him from the Governor.

I do not suppose he can have any Objection on Departmental Grounds, to the absence of Major Bagnes from his duty, for a fortnight & August

that his leave be granted

but if he is not desirable that

Officers should anticipate

leaves to applications of

this kind & I regret that

I may be informed whether

His Majesty's Consulate the value

of Mazir Bey's application

to be made as to justify his

departure from rule
