To/ His Excellency
The Most Noble
The Governor in Council
Fort Saint George.

My Lord Duke,

1. I have received your Secretary's Letter, No. 146, of the 19th February last, wherein it is stated that five copies only of Mr. Rowado's work on the "Zuinology of the East Indian Plantations" have reached Madras, and requesting the early transmission of the remaining three copies the despatch of which was advised on my

my predecessor's Despatch No 2
of the 8th November.-
2.- It appears that
three copies of this work,
intended for your
Government, were by
inadvertence sent to
Calcutta instead of to Madras.
From a letter recently received
from the Supreme Government
I learn that two of these
copies have already been
forwarded to Madras, and I
have desired that the third
copy may also be transmitted
for the use of your Government.
I have the honor to be
My Lord Duke
Your Grace's most obedient
humble Servant,
