Sydney 3rd May 1842.

From

W. G. Robertson Esqr. M.D.
Supt. Government Farms

To

C. A. Gellibrand Esquire,
Acting Board of Revenue

Sir,

I have the honor to request that I may be favored with [illegible] leave of absence for 3 months from or about the morning of the 3d. of July. The last leave of absence (the only leave I have previously applied for during a period of nearly 10 years) was granted for 3 months from the 16th. of July 1841.

2. Mr. Dawson returns to duty on the morning of the 16th. of July and would be able to act for me in my absence as I am [illegible]

further drawing the leave if granted, on the Religious where he will readily be able to refer to me all matters of difficulty or importance.

3. During the first 2 months of the period in question the Agricultural College will be closed and the students absent at their homes; while in the remainder of the term though the students will be at hand there will be no Agricultural lectures to draw on, the Water course lectures will begin while other subjects will be in progress.

4. I venture to attach [illegible] my case may be considered as a [illegible] because working during the summer months the Agricultural College will be

difficult for me to go away on leave and I find that I greatly need a temporary change as the addition of educational duties to my ordinary work has caused a considerable increase to my work while rendering it more exhausting.

I have the honor to be

Sir,

Your most obedient servant
