Miscellaneous No. 5736.

Proceedings of the Board of Revenue.

Dated 21st May 1878.

Read the following.

From No. 356.

W. R. Robertson Esq. M. R. S. C. S.

Superintendent, Cont. Farms.

C. A. Katten Esquire

Ag. Secretary, Board of Revenue,
Madras.

Sir,
I have the honor to forward for the inspection
of the Board the 3 collections of grass to
which the Prizes sanctioned in G.O. No. 102
dated the 21st of January 1878, have been
awarded. The collections are I think very
creditable. I shall be glad if the Board
will permit me to expend Rs. 20 in the purchase
of one of the collections for deposit in our
Museum. The following extract is from a
report by the Botanical Lecturer on these
collections; — "All the specimens are neatly
mounted and some are fairly labelled. The
examination of these specimens in view to
them

"this identification would be a work of time;
"I hope to be able to attend to it during the coming
"recess. I might suggest in the meantime that
"the prizes be awarded to the un-documented
"students, as those who have sent in the best
"Collections."

Submitted for the order of Government.

2. The collections are very creditable for
beginners; and attention to the subject is im-
portant. The Board recommend that Rs. 20
for the purchase of one of the collections may
be sanctioned as requested.

3. In making any future collection par-
ticular care should be given to accurate and
systematic labelling and where possible the
vernacular name should be given in English
characters
