Read the following paper:—

No. 113. *From R. B. CHAPMAN, Esq., Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, dated Simla, 26th April 1878, No. 134.*

I am directed to observe that the Government of India, in forwarding to the Home Government the Finance and Revenue Accounts for 1876-77, was obliged to explain that it was impossible to complete the accounts of Productive Public Works for presentation to Parliament in the form required by the Secretary of State, because the Madras Presidency had not supplied the information required of it relating to the Irrigation Revenue.

2. The Government of Madras was addressed on this subject in the Public Works Department in letter No. 113 A-G, dated 17th January 1878.

3. I am to request that the attention of His Grace the Governor in Council may be drawn to the inconvenience arising from the failure of the Government of Madras to comply with the instructions of the Government of India on this subject, in order that measures may be taken for the early submission of the returns of Irrigation Revenue.
