To

Sir,

I am directed by the Board of Revenue to state that a proposal dated 4th December 1875, No 10,832,

4th December 1875
No 22610

has been received from the Govt Investment Agent submitting a proposal for the extension of the Privilege of the Excise Shop attached to the Distillery, for a period of 2 years from having regard to the 1st February 1876, ends on the 31st January last.

2. The Honourable the Board will be reminded of petition to the Revenue Board for one month to enable them to give orders for the exemptions mentioned, also Licenses granted

granted her, and as the expiry of the period of her employment for which sanction was obtained, was approaching an order was issued to the Manager of the Islands directing him to enquire and report whether the services of Fiaudo Bi are still necessary, and if so, for what period; or whether any women of the Islands are now sufficiently trained in midwifery to allow of Fiaudo Bi services being dispensed with from the 31st January 1878.

3. The Manager replied on 25th January last recommending the discontinuance of Fiaudo Bi services on the ground that the women of the Islands can now perform themselves the business of a midwife, married ones about the 15th of that month. A petition was also received from Fiaudo Bi from Madras about the same time in which she requested leave for one month in extension of that already granted to her. With reference to this an endorsement was issued to Fiaudo Bi granting her

her leave till the end of January last and informing her that she must not return to her post as the period for which her employment was sanctioned would expire on the 31st of that month. She endorsement to this letter however provided that returned through the Post Office Captain. In consequence she came back to Mauritius with a view to proceed to the Islands. Recently that her services had been dispensed with she has applied for payment of her expenses from Agalega to Mauritius.

4. In consideration of the good services rendered by Fiaudo Bi, of the Islands and the fact that her return to Agalega was the result of no fault of her own, I have paid her Rs 41-8-0 as per enclosed abstract statement of her expenses from the Department. I now enclose a petition of Fiaudo Bi praying that she may be allowed to obtain. I have authorized the payment in order to enable her to get away by sea to Calcutta before the monsoon

Expenses commences and continued for the
accommodation and expenses of the Land jour
-ney.
