From

To

The Secretary to Government
Revenue Department

Sir

I have the honour to request the authority of Government to destroy as useless and obsolete records all the original Land Registers prepared by this Department when they are returned by the Settlement Officers after the Survey Boundaries of Pleaders villages.

I annex a blank form of Survey Land Register from which the nature of the particulars entered may be perceived. The Settlement Department incorporate in their report all that is considered necessary to record and which after verification is approved of, but there are of course many changes and the registers prepared by the Survey cannot be depended on after the Settlement has been effected. I am of opinion that it is useless to retain them with other Survey records; they only serve to encumber the shelves.

I have the honour to be

Your most obedient humble
Servant
