Miscellaneous No. 15,698, for the arrangement of
the records of the Udipi Taluk were entertained
on the 13th December 1877 and continued till
the end of February last. There were 74 Duf-

62 Duffers have been arranged by the temporary
Clerks

Clerks during the time they were employed. The number of Diftas, therefore, now remaining to be arranged is 12 which together with 10 of 1877 since received into the record, makes the number of Diftas to be arranged 22, and that to be widened 84.

2. In my above letter No. 1555 I have already stated that the services of two temporary clerks would be required for a year. The Tahildar has again applied for 2 temporary clerks, and the Head Assistant Collector has supported his application. For reasons therefore detailed in my former application, I have the honor to request the Board will be pleased to obtain the sanction of Government for the re-employment of two temporary clerks during the official year. The usual application in a tabular form is herewith enclosed.
