GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

11th September 1878, No. 1,484.

Read the following paper :—

No. 135. From R. W. BARLOW, Esq., Acting Commissioner of to L. A. CAMPBELL, Esq., Under-Secretary to Government, Revenue Department, dated Ootacamund, 10th September 1878, No. 117.

With reference to your demi-official of this date, I have the honor to state there is a sub-treasury at Gudalur, but not at Devala.

2. As regards the mode in which Mr. Smyth can have amounts paid to him, I have the honor to observe that on receipt of his bills at this Office the necessary instructions will be issued to the Deputy Tahsildar of Gudalur for payment of the money, but where a large sum is required I fear there will not be sufficient funds at Gudalur to meet the demands, in which case, however, the necessary funds will be forwarded from this Office to the Deputy Tahsildar.

3. The contingent allowance of Rs. 250, sanctioned in G.O., No. 1,206, of 31st July last, may be drawn by Mr. Smyth at this treasury on presentation of a bill, on receipt of which the Gudalur Deputy Tahsildar will be advised to pay the same, as indicated in paragraph 2.

4. All bills for funds from the Ooty Treasury should be forwarded here, and on their being passed intimation can, as above stated, be sent to the Gudalur Deputy Tahsildar for payment at Gudalur for the convenience of Mr. Smyth.

5. I enclose two sets of blank bills, in triplicate, Nos. 6 and 7, for Mr. Smyth's use; the former is to be filled in drawing Mr. Smyth's pay, and the latter that of his establishment.

No. 136. Order thereon, 11th September 1878, No. 1,484.

Miscellaneous.

Communicated to Mr. Brough Smyth.

8th September 1858

My dear Sir Colin

I am sorry to have given Sir W. Robertson that little misunderstanding has proceeded your drawing any arrears of pay since you have been down at Dundalk.

The Accounts Department were told to explain everything to you but that is written

the second figure you will be able to fill up.

In No 6 you will order your next delivery and in No 7 that of your establishment e.g. Nov Mutton and Nov Lamb.

There must be a separate Column for each month and it should be understood as applying to the 1st of each month.

I send copy of a letter from Mr Barlow the Commissioner explaining what is to be done with these bills.

You must, after your former report thereon, be sent to him as he will press them for payment and instruct the Dy Collector at Cuddalore to pay you. If the officer has not sufficient money Mr Barlow would direct how it may be procured. It is probable that you will not wish to have the whole of your salary paid

to you at Cuddalore, but this can be settled by Mr Barlow how much to send to you in cash through the Dy Collector at Cuddalore, and for how much to send you a Cheque on the Bank here.

Lastly as to Contingent expences. Rs 250 was fixed as the sum to be allowed on this account per G.O. 31 July 1790 No 1206. But amounts have been advanced you. Probably it has been counted in the Rs 500 advanced under

Commissioners' Office

Cork Sept 1st 1894. Sir

I am directed by the Commissioners of Valuation to inform you that the Valuation on which you have based the survey and made the bill (i.e. the form) to the Commissioners of Valuation will not be accepted under the Act and therefore they cannot pay the amount. You must not exceed the sanction of the Commissioners before you submit your bill at any time as your contingent allowance of £200 is to cover the whole allowance

allowance is based and you must endeavour to keep within your allowance and not exceed it. You must have your calculations and bills in as neither Lands of Valuation and all other encumbrances of your work you have given advance which you have accounted for as specified in regulation.

I see the Valuation does which embraces and your distance from Dunmanway causes some disorganisation but I hope this proceeding

Dera Lah, 9th Sept 1878.

My dear Sir William Roberts,

I venture to trouble you for advice with reference to the position in which I am placed by the non-payment of my salary, travelling expenses, and the wages of the men I have employed.

Up to the present time I have received only Rs 500 on account of salary and I have had to defray all the expenses of the investigations I have been appointed to make owing to the non-payment of a portion of the salary of the Government Servant who was deputed to accompany me to the Hyraad and I cannot ascertain when I shall receive either salary or travelling expenses

expenses. My disbursements already
amount to nearly Rs 1500.

I do not think I could be justified
in undertaking to pay the salary of Rs 2.
having that of Rs 3 Mothers and the wages
of the five coolies I have at present from
my private purse - and indeed - though
I have made no complaint and shall
make none - the delay in the payment
of the arrears due to me has caused to
be a matter of no difference.

The courtesy and kindness you have
shown me require that I should inform
you that I shall have to relinquish the
work unless the grievances I set in my
letter of the 29th July recorded in GG 1850
are redressed.

I am very sorry to have to trouble
you with a letter of this kind but I
must take some step and your advice
would be of the highest value.

P.S. It is the custom here to pay the
wages of the coolies every Saturday. Though
the sums to be paid are very small I
feel I am no longer justified in detaining
any moneys for work. Perhaps it would
be best to send all the accounts to the
Secretary to the Government.
