REVENUE DEPARTMENT.

12th September 1878, No. 1,490.

Read the following paper:—

No. 147. Proceedings of the Board of Revenue, dated 26th August 1878, No. 2,395.

Read the following letter from R. W. BARLOW, Esq., Acting Commissioner of the Nilgiris, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 9th August 1878, No. 106:—

ADVERTING to G.O., No. 2,374, dated 25th July 1877, I have the honor to state that the Pirmund Bungalow in question does not appear to have been sold as ordered for the reason stated in the enclosed correspondence (to be returned), which however does not appear very satisfactory.

2. There seems to have been some doubt as to what land should be sold with the bungalow, and I now enclose a plan prepared by the Survey Department showing the boundaries and recommend that the land within the same should be sold. The bit of shoiah included is very small and will make the bungalow more readily saleable. The Board are aware that there is abundance of wood and to spare in this unfrequented locality. The Deputy Conservator of Forests concurs with my view.

3. I request early orders as the bungalow has already considerably deteriorated owing to the delay.

ENCLOSURES Nos. 1 to 4.—Correspondence.

ENCLOSURE No. 5.—Map.

THE bungalow should be sold without further delay subject to the usual assessment on the land attached to it as shown in the survey plan which accompanied the Commissioner's letter.

Sir,

In reply to your letter No. 15 dated 22nd July 1878, I have the honor to inform you that the extraordinary delay regarding the ordered sale of the Kermanad Bungalow has arisen through no definite boundaries ever having been supplied to this office. If the Revenue Survey have furnished you with the boundaries I see no reason why any further delay should take place and shall be obliged by your expressing wishes as to whether you will have it sold or whether I shall at once advertize it in the Madras and Local papers for sale by auction or private sale.

Sir,

In reply to your letter of the 2nd ultimo, No. 37/70, I have the honor to observe that as the Bungalow is of no use to the Forest Department, it is better to dispose of it as soon as possible, so that the purchaser may preserve what little remains of the Bungalow. A house in this locality is useful - as Coolie labor is [illegible] and scarce, for the [illegible] Officers when on tour as well as for Sportsmen.

2. I think if the little bit of Shelah at the back and a few acres of land surrounding [illegible] with the Bungalow, a purchaser will be forthcoming. Indeed I should be inclined to purchase it for Orchard use, if it were cheap.

3. Considering the enormous [illegible] quantity of Forest in the locality I do not think

Sir,

I have the honor to acknowledge your letter No 10 dated 31st May 1878, with Survey plan of the Peermund Bungalow.

2. In reply to para 2 of your letter the property has not been sold - on the sanction being obtained from Government for its disposal, no authentic data could be found by the Commissioner to show the boundaries of the property - the property could not be put up to auction without the same. This was most unfortunate, inasmuch as the Bungalow there was in a state which might have led to a fair price being realized, but the lapse of time since then with unseasonable weather of two
