GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

19th September 1878, No. 1,518.

Read the following paper :—

No. 207. Proceedings of the Board of Revenue, dated 14th August 1878, No. 2,268.

Read the following letter from H. St. A. GOODRICH, Esq., Acting Collector of Vizagapatam, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 18th July 1878, No. 1,012 :—

I HAVE the honor to inform you that a sum of Rupees 7,730-10-3 was placed at the disposal of my Principal Assistant in 1875-76 and Rupees 5,524-14-2 in 1876-77 for payment of compensation to the Inamdars whose lands were taken up for different roads in his division. Out of this sum Rupees 8,407-7-9 were disbursed to the parties concerned. Of the remaining sum of Rupees 4,848-0-8, Rupees 3,824-12-0 are due for Service Inam lands. Lands valued at Rupees 2,790-1-0 were purchased from the Zeroyity lands of His Highness the Maharajah of Vizianagram, K.C.S.I., and made over to the Service Inamdars concerned, and steps for purchase of lands to the value of Rupees 441-2-4 are being taken. There remains therefore a sum of Rupees 593-8-8 undisbursed for which no lands could be obtained. The Principal Assistant Collector, in whose division the above compensation is to be distributed, says that it is almost impossible to purchase lands to be given to the Inamdars concerned there being no lands available for sale in such quantities or blocks as required and suggests that money compensation be distributed to the Service Inamdars concerned.

2. A statement showing the names of the Service Inamdars, the assessment of the Inam lands occupied, and the amount of compensation sanctioned for the same, is herein enclosed. As it is objectionable to pay money compensation to Service Inamdars, I beg to suggest that the sum of Rupees 593-8-8 may be invested in the Government Savings Bank in the name of the Collector and the interest accruing thereon be paid to the Service Inamdars in proportion to the assessments of the lands taken up. The annual interest on the amount of Rupees 593-8-8 is Rupees 22-4-2 and the annual sists of the lands is Rupees 29-13-1. The difference is Rupees 7-8-11 and is between thirteen individuals. I have therefore the honor to request that necessary sanction may be obtained for the arrangement above proposed.

3. Mr. Lee-Warner is preparing a scheme under which the funds to be derived from the Village Service Cess may be distributed on the Act (IV of 1864) being introduced.

ENCLOSURE No. 1.—Statement.

SUBMITTED for the orders of Government.

2. It is not stated from what funds the compensation adverted to was sanctioned, whether Local or Imperial, nor whether the villages in which the Inams were situated are Government or Zemindari. Some of the villages appear to be Government and others Zemindari. In the Government villages the Board consider that in cases like

the present sums representing the assessment of the lands taken up or the interest at 5 per cent. on the compensation sanctioned should be paid to the servants concerned annually in the shape of Beriz deductions as is now done in many other districts; in the Zemindari villages the Zemindar may be asked to make similar Beriz deduction, a corresponding deduction being made in his Peishcush. If the roads are Imperial, the Beriz deductions will obviate the grant of any further compensation, but if they are Local Fund works Government are, of course, entitled to receive from the Local Funds the amount of compensation which they would have to make but for the Beriz deductions.
