REVENUE DEPARTMENT.

19th September 1878, No. 1,526.

Read the following paper :—

No. 222. From Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Kookal, 30th August 1878, No. 859.

I HAVE the honor to forward for the sanction of Government a plan and estimate, prepared by the Department of Public Works, for the reconstruction* of the Forester's house at Gingee, lately destroyed by fire. Mr. Wooldridge's covering letter also accompanies the plan and estimate.

* *Vide* G.O., dated 2nd May 1878, No. 647.

2. The estimate provides for the reconstruction of a house, containing two rooms, one of 18' × 12' and the other of 14' × 12', with a verandah of 6 feet broad in front and on the sides of the building.

3. The cost estimated is Rs. 800, and the Deputy Conservator further requests that an additional sum of Rs. 200 may be sanctioned for adding a back verandah and office.

4. If the Government approve of the estimate, the funds required for the construction of the building, viz., Rs. 1,000, may be sanctioned from the probable savings of the division under VIII (*f*) "Other Works," in which large savings are expected owing to the late reduction in the strength of the Protective Establishment employed on fuel reserves of the South Arcot Forests.

5. The police report on their inquiry into the origin of the fire is not yet to hand.

No. 223. ORDER THEREON, 19th September 1878, No. 1,526.

Forests, No. 14.

THE reconstruction of the house at the Gingee Reserves at a cost not exceeding Rupees 1,000 is sanctioned.

2. The work can be undertaken at once as funds are available. It is presumed that bath-room accommodation will be provided out of the extra sum asked for by Mr. Wooldridge.
