With reference to your No. 189 (Miscellaneous) of the 19th November 1877 and to my No. 7 of the 7th of March last, respecting the seeds of paddy which His Grace the Governor in Council is desirous of having introduced, for experimental cultivation, in the Madras Presidency, I have now the honor to report that I am forwarding, via Zanzibar, a case containing a supply of seed, carefully selected, from the new crop just gathered, and also a small parcel of white rice obtained from this paddy.

2. As opportunities for shipping such grain from Tamatave are very rare, I avail myself of a vessel leaving for Zanzibar to forward the present supply, and will submit a report respecting the mode of rice cultivation in this Island by an early opportunity.
