ADVERTING to paragraph 2 of your letter, No. 778, dated 22nd May last, I am desired by the Chief Commissioner to inquire whether it is the intention of the Madras Government to have the boundary line in connection with what has been termed "the Mavinhalla dispute" and which has now been determined upon, demarcated and surveyed by the Revenue Survey Department; the cost being shared by both Governments. In such case, Mr. Gordon would suggest that the preliminary demarcation should be carried out in concert with a Forest Officer of this Administration.
