REVENUE DEPARTMENT.

24th September 1878, No. 1,559.

Read the following paper:—

No. 290. Proceedings of the Board of Revenue, dated 12th September 1878, No. 2,524.

Read the following letter from J. GROSE, Esq., Collector of Nellore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 28th August 1878, No. 3,422:—

With reference to Board's Proceedings, dated 5th June, No. 1,197, and in continuation of my letter of the 14th instant, No. 3,242, I have the honor to inform you that on the evening of the 10th instant a large flight of locusts appeared just outside the town of Nellore. It is said to have come from the west, but as I have not heard of any third swarm entering the district, I think it must have been formed by a union of the first two swarms which have already been reported on. No flights were seen in the district previous to these, and no young locusts have been observed.

2. Some of these locusts instead of coming to Nellore crossed the river at Utukur and visited Alur also on the 10th. They were afterwards joined by some of the Nellore locusts and did great damage to the young rice crops. Since then the insects have visited various villages in the Kavali Taluk, and I have heard of them so far as Ramapatam.

3. A portion of the Nellore swarm flew west and were seen at Atmakur on the 20th, but these have not done much damage to crops, and have since dispersed.
