No. 292. Proceedings of the Board of Revenue, dated 20th August 1878, No. 2,344

Read the following Proceedings of the Madras Government, dated 9th June 1878, No. 990, Revenue Department :—

ABSTRACT.—*Fixed Tentage.*—Concurring in the Board's opinion regarding —; requesting them to issue instructions as to what is to be considered a "proper equipment" of tents for officers or each grade, and to arrange with the Accountant-General as to the form of certificate. Authorizing the Board to waive the penalty of forfeiture of fixed tentage in this and all similar cases on good cause being shown.

THE Board resolve to prescribe the following equipment as the *minimum* to be kept up by officers of the different grades :—

Collectors.—Two tents about 14 feet square either single or double pole.
One Bechoba or other small tent.
One servant's or baggage tent.
One tent of about 14 feet square for accommodation of office.
Sub-Collectors.—The same as Collectors.
Head Assistant Collectors.—One tent of about 14 feet square.
One Bechoba or other small tent.
One servant's or baggage tent.
One tent for office accommodation of about 12 feet square.
Assistant Collectors.—The equipment prescribed in G.O., dated 16th February 1865, No. 338, viz. :—
A tent of about 14 feet square.
A Bechoba not less than 10'×10.'
A baggage tent.

2. Every officer acting in an appointment for more than six months will be expected to provide himself with the *minimum* prescribed for the appointment in which he is acting.

3. Now that an equipment has been prescribed the existing certificate at the foot of the extra tentage bills will probably suffice for the purpose of audit.

4. In prescribing the dimensions the words of G.O., dated 16th February 1865, No. 338, above quoted have been slightly departed from to allow of the use of Swiss cottage and other oblong tents. Thus a Swiss cottage tent 16'×12' will fulfil the requirements although it is smaller by a few feet than a single poled tent 14'×14'.
