GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

19th February 1878, No. 265.

Read the following paper :—

No. 223. Endorsement of the Chief Secretary to Government, dated Fort St. George, 13th February 1878, No. 245.

Read the following letter from A. McC. WEBSTER, Esq., Acting Commissioner of the Nilgiris, to the Hon. D. F. CARMICHAEL, Chief Secretary to Government, Fort St. George, dated Ootacamund, 10th February 1878, No. 29 :—

WITH reference to the Proceedings of Government, of 5th instant, No. 206, Public, I have the honor to report that I have no stock of Red Bark in hand, all the crop having been sent to Madras for shipment to England.

2. The Red Bark will not leave Madras until the 25th instant. It is now in charge of the Agent, P. & O. Company; and I have the honor to suggest that arrangements may be made for getting what bark is required from him.

3. The invoices of this consignment have not yet been sent to him, but will be sent to-morrow. The following, however, is an abstract of the marks and contents of the bales :—

N 238 to 330	contain	9,597 lbs. nett	Renewed Red.
N 331 to 430	,,	10,401 lbs. ,,	Unmossed Red.
N 431 to 570	,,	14,377 lbs. ,,	Mossed Red.
N 571 to 613	,,	4,389 lbs. ,,	Renewed Red.
N 614 to 620	,,	730 lbs. ,,	Mossed Red.
N 621 to 630	,,	1,042 lbs. ,,	Unmossed Calisaya.
N 631 to 633	,,	281 lbs. ,,	Do. do.
N 634	,,	104 lbs. ,,	Renewed Red.
N 635 to 636	,,	181 lbs. ,,	Mixed Red.
N 637 to 638	,,	150 lbs. ,,	Pale Bark.
N 639	,,	58 lbs. ,,	Dust.
P 121 to 148	,,	2,880 lbs. ,,	Renewed Red.
P 149 to 207	,,	6,034 lbs. ,,	Mossed ,,
P 208 to 259	,,	5,328 lbs. ,,	Unmossed ,,
P 260 to 288	,,	2,951 lbs. ,,	Mossed ,,
P 289 to 300	,,	1,213 lbs. ,,	Renewed ,,

4. The "Unmossed Red" Bark will, I think, be sufficient for the purpose for which it is required by the Surgeon-General, as that description of bark is usually sold to the Chemists at home for decoctions.

5. In view of a further indent it would perhaps be advisable to detain a larger quantity of this bark than 800 lbs., as I shall not be able to supply any from the plantations until July or August next; and I have the honor to request that the

marks and numbers on the bales that are detained may be communicated to me, and that the invoice sent to the P. & O. Agent, together with the copy thereof furnished to Government, may be corrected accordingly.

TRANSFERRED to the Revenue Department.

My dear Carmichael

I received your note of yesterday just before leaving office & turned you (sending a copy to Master) asking you to stop some of the boats in Madras - we have sent off all our crops, & I do not think Noronha has any at Beddanoottum, & it [illegible] plan and the [illegible] has been of use - [illegible] kindly asked [illegible] now plus one Rhoeto

he kind to get what you require – duly please have the marks on the Bales you keep accurately noted on our invoices will get into confusion

I will write officially as soon as I hear from Rowson whom I have sent to Q.O. Bengal [illegible]

SURGEON-GENERAL'S OFFICE,
Indian Medical Department,
Fort St. George,
9. 2. 1878.

Dear Mr. Carmichael,

I do not know how many pounds are in a bale of bark, but I think it would be well to secure for the Medical Stores, if possible, about Rs 1600 of the red bark – there is much pain and the bark has been of use – with the supply asked for now plus our stocks

of ante-periodicis, we ought
to be able to calculate the
Waters into Lake - Kindly
lay an embargo on the
Bales of Red Bank, it may
be too late to interfere
with the shipment of the
Brown Bark.

P.S. The 1600 Hrs now asked
for are additional to the 10
Bales already detained for us -
