Read the following paper :—

No. 191. Despatch from the Most Honorable the Secretary of State for India.
Revenue, INDIA OFFICE, LONDON,
No. 15. 21st March 1878.

MY LORD DUKE,—I have received your Excellency's letter, No. 5, of the 22nd January last, advising the transmission to this Office of 577 bales of Cinchona bark from the Government Plantations on the Nilgiris per Peninsular and Oriental steamship *Malwa* which left Madras on the 1st idem.

2. The *Malwa* with the bark arrived in this country on the 9th February, but your letter containing particulars of the consignment, which should have preceded it, did not reach this Office until the 18th, and the Bills of Lading were not received until the 23rd February. This delay in forwarding the necessary advice appears to have been due to the irregular action taken by the Commissioner, Nilgiris, in making the shipment through the Agent of the Peninsular and Oriental Steam Navigation Company instead of through the Master Attendant at Madras. I observe that this irregularity has been duly noticed by your Government.

I have, &c.,
