Read the following paper :—

No. 344. From Captain C. WALKER, Deputy Conservator of Forests, on Special Duty, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 27th June 1878, No. 18.

REFERRING to G.O., No. 663, dated 4th May 1878, I regret to have to report that great delay and inconvenience is experienced in having my report printed in the local press. The manager states that their type is almost all in use for printing famine reports, telegrams, &c.

2. Chapter I is printed with the exception of the financial statement now under reference to the Accountant-General. Chapter II is being got through slowly, but no avoidable delay has yet taken place owing to the time required for compiling statements of expenditure and getting the areas and maps from the Survey Department.

3. I propose to send the M.S. of Chapter III, which is all but ready, to the Government Printing Office, Madras, and request sanction.

4. Meanwhile an M.S. copy of the whole report will be submitted to the Commissioner by the close of next week if I receive the information called for from the Accountant-General.
