Communicated to the Commissioner of Salt Revenue who will submit proposals accordingly.

2. The returns submitted by the Collectors of Cuddapah, Kurnool, and Bellary show that 602 licenses have been issued for the current year; those granted for manufacture in Kurnool, with the exception of four expired on the 30th June, those granted in Cuddapah and Bellary and four in the Koilkuntla Taluk of Kurnool run till the end of December. Notice should at once be given that the licenses will not be renewed, and as the manufacturing season has not yet, it is believed, commenced in Kurnool, it is presumed that fresh licenses have not been granted; if any have been issued they must be cancelled. The Collectors concerned will give publicity to the decision that earth-salt manufacture will not be permitted after the termination of the period for which the licenses now in force hold good.
