No. 3,076.

Proceedings of the Board of Revenue, dated 19th November 1878.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 29th October 1878, No. 427 :—

In reference to G.O., Revenue Department (Forests), No. 105, of the 22nd January 1878, communicated in Board's Proceedings, No. 1,163, dated 1st February, respecting the conversion of the Mallapadi Hill Jungle into a Forest Reserve, I have the honor to report that on the 6th instant I personally inspected the hill in company with the Sub-Assistant Conservator of Forests Mr. Mahomed Ali, and after hearing all that the villagers of Mallapadi and four other villages who depend on this jungle for their agricultural implements as well as firewood had to say, I have come to the conclusion that it would be very seriously interfering with the communal rights of these villagers if this hill were reserved. There is a large reserve only one mile and-a-half off, and other hills adjoining that reserve may be taken up if thought necessary; but I strongly deprecate any interference with the Mallapadi hill, which stands as it were in the middle of the village, and should be kept free for the use of the villagers.

Submitted to Government with reference to the order quoted.
