To

Ootacamund.

Sir

With reference to G.O. No. 268 of the 7th August last I have the honor to inform you that a Ranger of another Division or a Probationary Ranger has of late been allowed to Mr. Ferguson, at present he has only a Probationer.

2. I am of opinion that a permanent Ranger should be attached to the establishment irrespective of any probationers that may be learning their work at Pollambur and as this charge cannot ordinarily be met from the maximum amount allowed by the Government of India I would suggest that when my recent report on Pollambur (now with the Board) is forwarded to the Government of India, they should be asked with reference to the communication in the margin to sanction an extra 2nd class Ranger in addition to the present establishment.

1st Letter from the Secy. to the Govt. of India Dept. of Revenue and Commerce, No. 2818 dated 6th December 1876 - Para 8 & 9 - and a proceedings in G.O. No. 39 of 11th January 1876.

3. Just at present the maximum scale is not filled up as there are two

Vacancies

subsequent-

vacancies in the grade of Lieutenancy
Rangers but I anticipate shortly
having to work up to the full strength
annual as I do not perceive that
annual will do away with any of the Lieutenancies
to provide for an extra [illegible]
class Rangers

4. For the permanent annual
vacancies as occurred from time to time
Government the Rangers would
engage with a Lieutenancy but
the pay of this grade would not
be sufficient for a permanent
incumbent who had previously
learnt his work in the subordinate
grade

I have the honor &c

2. Subsequent experience has now, it appears, shown this to have been a mistaken opinion, and it becomes necessary to appoint an Engineer permanently to this Division; but as long as funds are available from the amount sanctioned for subordinate forest establishments no application for sanction to exceed it can be made to the Govt of India, and the necessity for such a step must, when it arises, be shown in full detail.

REVENUE DEPARTMENT.

5th December 1878, No. 1,955.

Read the following paper :—

No. 48. From Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to the Secretary to Government, Revenue Department, Ootacamund, dated Ootacamund, 14th October 1878, No. 1,082.

With reference to G.O., No. 1,268, of the 7th August last, I have the honor to inform you that a Ranger, of another division or a Probationary Ranger has of late been allowed to Mr. Ferguson; at present he has only a probationer.

2. I am of opinion that a permanent Ranger should be attached to the establishment irrespective of any probationers that may be learning their work at Nelambur, and as this charge cannot eventually be met from the maximum amount allowed by the Government of India, I would suggest that when my recent report on Nelambur (now with the Board) is forwarded to the Government of India, they should be asked, with reference to the communication in the margin, to sanction an extra 2nd-Class Ranger in addition to the present establishment.

Letter from the Secretary to the Government of India, Department of Revenue, Agriculture and Commerce, No. 262, dated 6th December 1875. Paragraph 8, 2nd portion, recorded in G.O., No. 89, of 11th January 1876.

3. Just at present the maximum scale is not filled up as there are two vacancies in the grade of Probationary Ranger; but I anticipate shortly having to work up to the full sanctioned amount, so I do not propose to do away with two of the probationerships to provide for an extra 1st or 2nd-Class Ranger.

4. For the present or until sanctioni s received from the Supreme Government, Mr. Ferguson can manage with only a probationer, but the pay of this grade would not be sufficient for a permanent incumbent who had previously learnt his work in the probationary grade.

No. 49. Order thereon, 5th December 1878, No. 1,955.
