No. 59. Proceedings of the Board of Revenue, dated 28th November 1878, No. 3,190.

Read the following letter from Messrs. J. D. KELLIE McCALLUM and E. G. F. TYTLER, to W. LOGAN, Esq., Collector of Malabar, dated Sanguhar House Forres, N.B., 24th October 1878.

With reference to your letter of the 12th ultimo to Mr L. M. Torin, in which you request him to obtain the acquiescence of his partners in the suggestions made by him in his letters to you of the 20th and 31st August last regarding lands occupied by us in the Attapadi Valley, we the undersigned who are Mr. L. M. Torin's partners have the honor to inform you that we do acquiesce in the steps which he has taken, and trust that you will be able to view the matter accordingly. We would beg to point out to you that we obtained the leases of the lands in question from the person to whom we believed them to belong, and for the sole purpose of cultivating them ourselves.

2. Having laid out a considerable amount of money in making roads, in building, in planting, &c. &c., it will cause us very serious loss if you do not grant us permission to carry on the works as all must go to utter ruin if allowed to stand still. We therefore trust that you have been enabled to grant leave to Mr. Torin to go on with the works, but should he have left India before obtaining such leave, we hope that you will grant it to our Manager Mr. C. Havelock, Thia Sholah, Ootacamund, on the understanding that by doing so the claim of Government to the land shall in no way be affected.
