| April to September | Do Foreign Ports | 690.38 | 71.04.547 |
| | Do Coast Ports | 247.790 | 14.12.296 |

The difference between the value of ordinary raw silk and Lucerum is so great that, having regard to the extent of the trade in the latter article, it is possible that wrong inferences may be drawn from the figures in the Trade Returns, where the exports are added together, undistinguished, under the head of Raw Silk. The Governor General in Council accordingly directs that in future Chussum and Cocoons shall be shewn separately in the Re-

Order 1962/5 copy forwarded to the Governments of Bengal, Bombay, and Madras and to the Chief Commissioner of British Burma for information and guidance.
