REVENUE DEPARTMENT.

6th December 1878, No. 1,967.

Read the following paper :—

No. 74. Proceedings of the Board of Revenue, dated 8th November 1878, No. 3,006.

Read the following letter from C. KOUGH, Esq., Acting Sub-Collector, to J. G. HORSFALL, Esq., Acting Collector of the Kistna District, dated Guntur, 30th September 1878, No. 576 :—

I HAVE had the honor to receive Proceedings of the Board of Revenue, No. 2,344, of the 20th August 1878, prescribing the equipment of tents to be kept by Sub-Collectors to be the same as that of Collector.

2. I would, with the utmost deference and respect, solicit that the Board would be pleased to reconsider this resolution, or that at least some of the officers concerned might have an opportunity of expressing their opinion before it is made absolute.

3. You will observe that three large tents are prescribed. In my experience I have never found more than one necessary, but if it is decided that a second must be entertained for an office, I would solicit that the upkeep of the third (which can only be for private accommodation, and which I conjecture would in a large percentage of cases be superfluous and never be carried) might at least be left optional.

4. And, lastly, I would represent that if Sub-Collectors are compelled to keep and carry exactly the same number and size of tents as Collectors, it is only equitable that their extra tentage allowance should be made the same also.

5. I would, however, reiterate my humble opinion that such an establishment of tents is for Sub-Collectors really unnecessary, and that the requirements of the [illegible] individual experience, but I have little doubt that other officers who are serving, and have served, in the same grade would concur with me.
