Read the following paper :—

No. 114. Proceedings of the Board of Revenue, dated 29th November 1878, Miscellaneous No. 12,138.

Read G.O., Revenue Department, dated 2nd November 1878, No. 1,766, sanctioning the employment of the staff for recording the area irrigated annually by anicut water in Nidadavol and Baharzalli Estates in the Godavari District recommended by the Collector and approved by the Board.

Communicated to the Collector of the Godavari District.

2. The Collector probably used the term Curnam as the Board did, in the sense of Accountant, which is its primary signification. As the men whose entertainment was recommended are to be employed in a Zemindari, the use of the term was not thought to be open to misconception, as the appointment of Village Curnams in Zemindaris does not rest with the revenue authorities.
