GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

10th December 1878, No. 1,988.

Read the following paper :—

No. 116. From Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to the Secretary to Government, Revenue Department, dated Madras, 29th November 1878, No. 1,376.

Referring to G.O., No. 1,887, of the 21st instant, I have the honor to forward a letter* from Major Jago, the Forest Officer at present in charge of the tract about to be handed over to Wynad.

* Dated 27th November 1878, No. 117-288.

2. The contract for carting timber up to Ootacamund does not expire till the 18th of March next; the contractor has advances and refuses to transfer his contract, so I think Major Jago shows good cause why it is desirable that the transfer should be delayed till the close of the present official year, and I request orders on the subject.

3. Government are aware that the portion of the forests now to be transferred is the only tract under Major Jago which is being worked, or from which any profit is derivable at present; so that on its transfer Major Jago's establishment should be entirely cancelled and other arrangements made which cannot be done at a moment's notice, or so easily effected during my absence from the Hills.

No. 117. Order thereon, 10th December 1878, No. 1,988.

Forests, No. 9.

The Conservator was directed to carry out the transfer as soon as *practicable*, and it is for him to decide when it should be effected.

The Conservator of Forests

Sir,

On the 26th instant I received H.O. No 1867 dated 24th November 1878 on the following day I received your letter No 1318 dated 23rd instant, wherein orders for me to transfer the portion of reserve Forests in Sampa Taluk now in the Charge of the Conservator of the Wynaad Division.

Before arranging with that officer when to meet him, I have the honor to request further instructions.

At present I have a contract for carting up timber here from that portion of the forest especially which does not expire till the 10th March 1879. the Contractor has at least 8000 cubic feet

to

to bring up said stores to Coimbatore for the

2. A large portion of the timber is still to be depôted on the portion of the forests to be handed over, in which there are 3 large depôts.

3. I should therefore suggest that the handing over be postponed till the end of the official year when the elephants and their establishments could be relinquished too. Should you desire the tracts of forests be handed over as it is at present I have to state that my elephants will have ample work in other portions of the Pemi and Anduvalloi forests so as to enable me to treat them as closed forests from the 1st of April next with no traffic whatever through them.

The question of reduction of Establishment and several minor arrangements that will have to be made, will be submitted shortly requiring an immediate reply.
