GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

13th December 1878, No. 2,000.

Read the following paper :—

No. 138. From L. C. PROBYN, Esq., Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 28th November 1878, No. 6,543.

With reference to Proceedings of Government in the Revenue Department, No. 949, dated the 21st June 1878, I have the honor to report that when the Stamping Department of this office was abolished, I endeavored to get employment for pressmen M. Manicum and C. Narrainsawmy and blacksmith M. Cundasawmy Acharry.

2. The pressmen were at the request of the Superintendent, Public Works Workshops, sent to him for temporary employment with the view of their qualifications being tested before they were entertained permanently. Both of them have left stating that the work did not suit them. I am of opinion that had they been efficient workmen they would have been able to undertake the work assigned to them by the Superintendent. Government will observe that the men do not say they were turned off as inefficient.

3. The blacksmith was, at the request of the Inspector-General of Ordnance and Magazines, instructed to go to the Gun Carriage Manufactory for trial, which order he disobeyed by not going.

4. In the circumstances above mentioned I do not consider that any of the men have the slightest claim upon Government for compensation gratuity because ~~their cases were not submitted to the Government for consideration~~ on their behalf, and I trust His Grace the Governor in Council will confirm my action.

No. 139. ORDER THEREON, 13th December 1878, No. 2,000.
