GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

3rd January 1879, No. 6.

Famine Relief.

Read the following paper:—

10. From H. P. GORDON, Esq., Acting Collector of Bellary, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue (Famine) Department, dated 24th December 1878, No. 454.

I HAVE the honor to inquire, with reference to G.O. of the 6th December 1878, F.R. No. 2,485, 10th paragraph, whether it is intended that residuaries of camps admitted as in-patients in local dispensaries after the closing of the Camp hospitals on the 31st instant shall be, as regards their diet, at the charge of Government. The direction to Collectors to provide for the "continued care" of such cases would seem to authorize the above construction, while the funds at the disposal of the Municipalities and Local Furl Boards will possibly be inadequate for the purpose. The number of cases of the kind referred to will be generally considerable.

11. ORDER THEREON, 3rd January 1879, No. 6.

Miscellaneous.

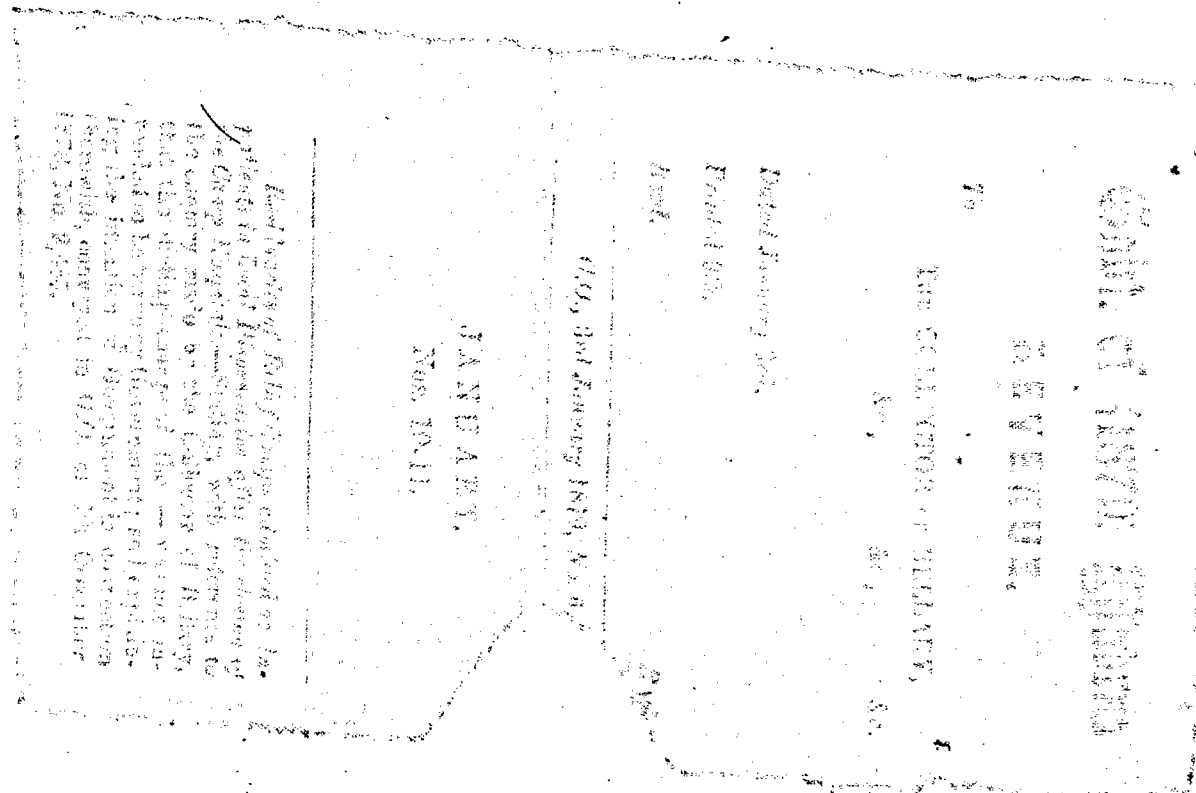

THE Collector's question will be answered in the negative. It was intended that in-patients should be maintained in the local institution as in ordinary times. In-patients as the medical officer may deem it necessary to retain for treatment under supervision for a "limited period," and who might be thus detained "away from their own villages or friends." To such, only, a maintenance allowance at the rate is authorised.

(True to fact.)

(Signed) G. STOKES,
Addl. Under Secy. to Govt.

To the Collector of Bellary.
To all other Collectors.
To the Board of Revenue.
To the Accountant-General.
To the Financial Department.
