GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

24th February 1879, No. 120 I.

Irrigation.
Account.

Read the following paper:—

No. 72. From C. S. CROLE, Esq., Acting Collector of Kurnool, to the Joint Secretary to Government, Public Works Department, Irrigation Branch, dated Kurnool, 23rd November 1878, No. 467.

WITH reference to G.O., No. 733 I., dated 21st September 1878, sanctioning an estimate, amounting to Rupees 3,260, for constructing a road dam on the Kurnool road across the Gundlakamma surplus channel of the Cumbum Tank, I have the honor to forward herewith copy of a letter from the Acting Head Assistant Collector, Cumbum, bringing to notice the extreme inconvenience caused by the impassability of the road and the loss to the Local Funds under the head of Tolls, and to request that Government will allot funds to admit of the road dam being commenced and completed during the current official year.

From G. W. FAWCETT, Esq., Acting Head Assistant Collector, Cumbum, to the Acting Collector of Kurnool, dated Cumbum, 22nd October 1878, No. 1,444.

I HAVE the honor in reference to G.O., No. 733 I., of the 21st ultimo, Public Works Department, to request to be informed whether the execution of the road dam mentioned therein as sanctioned for the next official year could not be hastened. I have already mentioned the extreme inconvenience caused by the impassability of the road and the loss to the Local Funds under the head of Tolls. It is the only made road connecting Cumbum with the rest of the taluk, and, considering that it is now two years since the old road was cut through above it, I do not think I am unreasonable in asking that the work should be done as soon as possible.

No. 73. ORDER THEREON, 24th February 1879, No. 120 I.

RUPEES 3,260 have been provided in the budget for the last three months of the current year issued with Proceedings, Madras Government, No. 44 I., dated 23rd January 1879.
