GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

16th January 1879, No. 106.

Read the following paper:—

No. 257. Proceedings of the Board of Revenue, dated 19th December 1878, No. 3,428.

Read the following letter from J. B. PENNINGTON, Esq., Collector of Tinnevely, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 2nd November 1878, No. 821:—

CERTAIN lands the assessment of which was assigned in lieu of ready-money allowances under G.O., No. 1,166, dated 2nd July 1863, escaped the Inam Settlement till 1872, when registers were prepared in the prescribed form and sent to the Inam Commissioner for issue of title-deeds; but that officer returned them with instructions to revise and forward them after the revision of the land assessment then in progress was completed. Revised registers were accordingly prepared and sent in 1877, and the Inams were finally settled and title-deeds issued to the parties concerned.

2. In the recent settlement carried out in Fasli 1283, the assessment of the lands originally assigned in the Tenkari Taluk fluctuated according to the rates introduced and showed an increase of Rupees 220-11-8 in twenty-two cases, and a decrease of Rupees 376-3-0 in twenty-three cases. These were adjusted in the Inam Settlement by making deductions of lands in the former and additions in the latter till the value of the Inams was arrived at correctly. But in the interval, i.e., from Fasli 1283 to 1286, though the ryots of lands the assessment of which was raised paid to the Inamdars the assessment at the old rates, the increase caused by the settlement was not collected from them. This I have now ordered to be done.

3. The ryots of lands the assessment of which was decreased withheld payment to the Inamdars of the difference between the old and new assessment, thus depriving the Inamdars of a portion of their Inams to the extent of Rupees 376-3-0, and I have therefore the honor to request that you will be good enough to obtain the Board's sanction for reimbursing them for what they have lost in this way.

Submitted for the sanction of Government.

2. The Inamdars are entitled to the surclaimed.

2. In the recent settlement carried out in Fasli 1283, the assessment of the lands originally assigned in the Tenkasi Taluk fixed according to the rates introduced, and showed an increase of Rupees 220-5-3 in twenty-two cases, and a decrease of Rupees 376-3-0 in twenty-three cases. These were adjusted in the Inam Settlement by making deductions of lands in the former and additions in the latter till the value of the Inams was arrived at correctly.
