I, James Keessold, Surgeon Major, Madras
Medical Service, do hereby certify that
Deputy Collector C. Balajee Rao, of the Madras
-recruited Service is in a bad state of
health and I solemnly & sincerely declare
that, according to the best of my judgment,
a further change of air is essentially
necessary to his recovery. - I do therefore
recommend that he may be permitted
to remain at Madras, on sick leave,
until the 15th of June 1879.

Sir

Referring to my application for three months sick leave dated 10th December 78, submitted to Government with the Board's miscellaneous Pro. No 12741 dated 11th idem, I am sorry I have to again trouble the Board for a further extension of 3 months sick leave from the 15th instant.

Surgeon Major Dr Keess Grant Surgeon, under whose treatment I am now placed, deems it urgent that I should take a further leave of 3 months, as I am now suffering from neuralgic pains in the head. This pain, having caused some defect in my left eye, I am quite unable, in my present state of health, to attend to my work.

In submitting herewith Dr Keess' medical certificate, recommending that I should take a further leave of 3 months, I respectfully beg that my present application may be
