GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

17th December 1878, No. 1,026 I.

Irrigation.
Account.

Read the following paper:—

No. 48. From G. T. WALCH, Esq., Acting District Engineer, Godavari District, to the Chief Engineer for Irrigation, dated Dowlaishvaram, 28th November 1878, No. 2,813.

I HAVE the honor to forward, herewith, a comparative statement showing the differences between the original* and revised† estimates for constructing a tidal weir at the end of the Injeram Canal, and to

*Rupees 3,800.

†Rupees 4,120.

request you will be good enough to obtain the sanction of Government to the revised estimate in lieu of the one sanctioned in G.O., No. 1,523, of 6th June 1871.

2. Explanations as to the cause of savings and excesses are given in the column of remarks in the comparative statement.

3. As the excess (320) is small it is considered that it may be met from the probable savings on the total estimate, Rupees 28,050, for the canal.

No. 49. ORDER THEREON, 17th December 1878, No. 1,026 I.

THE revised estimate for the tidal weir, Injeram Canal, Eastern Delta, Godavari, and amounting to Rupees 4,120, is sanctioned.

2. This sanction has been registered as No. 294 I of 1878-79.
